Grannophone-Rückwand

Nur für Lautsprecher vom Typ Visaton SC 5.9 ND
ausschneiden/bohren

Technical drawing of the Grannophone rear panel. The panel is rectangular with a light blue background. It features two identical octagonal speaker cutouts, one on the left and one on the right. Each octagon has a small circle at its center. The panel is marked with dimensions and a scale bar. The dimensions are: 100 mm (width of the panel), 100 mm (height of the panel), 100 mm (width of the octagon), 100 mm (height of the octagon), 100 mm (width of the octagon), 100 mm (height of the octagon), 100 mm (width of the octagon), 100 mm (height of the octagon). The scale bar is 100 mm.
